

## COMMUNITY UPDATE

### WHAT'S HAPPENING IN TOWN

Transportation in Liberty Hill is an ongoing issue. We understand the frustrations the City's growths are causing. However, they are not being ignored. We continue to work with the Texas Department of Transportation and Williamson County to fix and expand roads. For an up-to-date status of projects, we encourage you to visit Current Road Projects on the Wilco site at [www.wilco.org](http://www.wilco.org) under Commissioner Precinct Two Cynthia Long

Progress at Wetzel Park is being made with the construction of the new Splash Pad. Weather permitting, completion will be mid-to-late July. Check the City Facebook page for updates and information about the Grand Opening Celebration.

We are happy to report that John Clark and Ron Rhea have been appointed to the Economic Development Cooperation (EDC) Board. They will finish the expiring terms of two previous board members.

We encourage the community to attend our bi-monthly Community Updates to hear the current timeline and progress of all the current projects. Events and updates can be found on our Facebook page.

The **Capital Improvement Program** can be found on the [City Website under Residents > Current Projects](#). The page is continually updated as projects progress.

The City Website is undergoing updates and getting a fresh look. Watch for improvements, additions and completion with new branding this summer! [libertyhilltx.gov](http://libertyhilltx.gov)

# UPCOMING EVENTS

## CITY PARK CINEMA

This summer, we are pleased to continue City Park Cinema—our FREE summer movies in the park series. Liberty Hill's City Park located at 251 CR 200 will transform into an outdoor cinema under stars. The entire town is invited to join us on June 8th, July 20th, and August 3rd for our summer screenings. Bring a chair or blanket, a picnic to enjoy, or purchase food from our local nonprofit fundraisers. The movies begin at dusk, but be sure to arrive early to enjoy the park and participate in activities and raffle prizes!

## FALL CLEAN UP DAYS

Our Spring Clean Up Days were a huge hit. Make plans now for Fall in mid-October. The City offers free curbside pick-up from 8:00 am - 2:30 pm on Friday. Drop-off location for both days is at 3414 RR 1869. Watch the City website and Facebook for exact dates and how to schedule a pick-up of discarded items.

Items not currently accepted are tires, paint, paint thinner, TVs, batteries, CFL light bulbs, computers, printers, refrigerators, freezers or any hazardous materials or substances including oil.

During the recent May election, Gram Lankford and Steve McIntosh, were elected to the Liberty Hill City Council. Liz Rundzieher was re-elected for Place 5. The City is preparing for training for the two new members.

A one-day workshop through the Texas Municipal League are scheduled for the newly elected city officials. Congratulations to all and we look forward to collaborating with our new team.

## MAYOR'S MESSAGE

**MAYOR RICK HALL**

Thank you all for attending Whimsy & Wonder, the City's second Art Festival in downtown. It was an amazing event with so much to see, do and eat! I hope you all enjoyed yourselves as much as I did.

Our next event is the Independence Day Spectacular on July 3 at City Park. This family-friendly event will have a ton of fun activities with contests, a splash zone, food trucks and an outdoor concert. The evening begins at 6:00 with fireworks at 9:30. I hope to see you there.

Our next Community Update will be Thursday, June 20. While we are experiencing much growth right now, it is important to stay up-to-date on all activities and projects. The staff and council are working hard to make this an easier transition for everyone. Please join me for our updates and please don't hesitate to contact me directly with any questions or concerns. We are all in this together!
